FIFTH YEAR ELIGIBILITY REQUESTS – COVER SHEET **REVISED FORM 3/3/05**

1. All requests for any sport must be submitted no later than **June 15** of the school year immediately preceding the fifth year requested. Late applications will not be accepted without permission of the Commissioner. Requests for an exception to this filing requirement must be based on exigent circumstances submitted in writing to the Commissioner setting forth the basis for the request. Application for waiver shall be submitted at the same time as a request to file late.
2. No requests for a fifth year of eligibility for any athletes who have completed what should have been their last season in the sport will be considered based on a request for a waiver of the charged semester following that season.
3. All requests must be submitted in writing and set forth with specificity the basis for the request; a complete description of the qualifying event(s) as described in the relevant section(s); and documentation that supports the request.
4. Athlete must have been eligible, residentially and scholastically, during all seasons of the sport.
