

Birthday Book Club

A wonderful way to support our library is through *Bird Rock Elementary School's Birthday Book Club*. A book is purchased in honor of your child's birthday and becomes a part of our library that will be enjoyed for many years to come. Every year there are so many books that we would like to add to the library. There are new books by favorite authors, award winning books, anticipated sequels and old books to replace. In our library there is a *list of books* that we would love to add to our collection. This list is also available on our school website: www.sandi.net/birdrock/. Take a look at the list, select a title and make a donation for the purchase. The books are library-bound and will serve us for many, many years to come. When the books arrive, a nameplate will be placed inside the book with your child's name and they will have the opportunity to be the first to check it out.

As always, your support and enthusiasm make our library a wonderful resource for all of our students and teacher at Bird Rock Elementary School. If you have any questions please feel free to call me at (858) 488-0537.

Sincerely,
Polly Fluharty
