When Board meetings are held on days other than Tuesday, special arrangements for inclusion on the agenda of such Board Member “immediate action” item should be made with the Board Recording Office.

1012. ROLE OF BOARD OF EDUCATION IN ESTABLISHING POLICY

The Board of Education, under the law, is charged with the responsibility of setting policy for the San Diego Unified School District. In order to carry out that responsibility, the Board employs a Superintendent of Public Education as its Chief Executive Officer and as the Chief Administrative Officer of the San Diego Unified School District. In carrying out these responsibilities, the Superintendent is accountable to the Board of Education. This accountability requires that the Superintendent be kept advised of problems and that the Superintendent have the authority to control the utilization of the staff of the District. It is, therefore, the policy of the Board of Education that:

A. The Board and its members deal with the administration of the School District through the Superintendent or the Superintendent’s designated representative and not through subordinate administrators, except that nothing shall preclude a Board Member from making a factual inquiry which does not involve either administrative action or the compilation of information not already available;

B. Board Members should not request from the Superintendent the preparation of a report or compilation of material not readily available and involving significant staff time unless the Board of Education by motion duly made and adopted shall have approved the preparation of the report or the compilation of material;
C. Members of the Board of Education refer all personal appeals, applications, complaints, and other communications concerning the administration of the School District to the Superintendent for investigation and report to the Board Member except when such matters may come before the Board at a meeting on appeal from decisions of the Superintendent.

D. Discussions held in closed session in accordance with the Ralph M. Brown Act and other applicable law shall be confidential, and no Board Member or other participant shall disclose the contents thereof without the permission of a majority of the Board.

1013. PARLIAMENTARY PROCEDURE

The rules of parliamentary law embraced in the Current Edition of Robert’s Rules of Order Newly Revised shall serve as a guide in public meetings of the Board of Education in all cases in which such rules are not inconsistent with these Bylaws of the Board.

There must be a main motion and a second regarding the proposed staff/Board member recommendation before discussion by the Board will begin. Amendments to the main motion may be made. No substitute motions will be allowed.

1014. EXPECTATIONS FOR AUDIENCE CONDUCT

Demonstrations will not be allowed in the meeting room during Board of Education meetings. Placards, banners, signs, flags larger than 8½” x 11” are not permitted in the Board of Education meeting room. Pagers and cell phones are expected to be turned off or put on the silent mode in the Board of Education meeting room.

Any disturbance or willful interruption of Board meetings shall not be permitted by the presiding officer. The presiding officer is authorized to order a meeting of the Board of Education adjourned, adjourned to clear the meeting room, or to remove disruptive individuals or groups at any time if the legislative decorum of the meeting is disrupted by members of the audience and the audience does not observe a request by the presiding officer for restoration of order. Government Code Section 54957.9

All orders and rulings by the presiding officer of the Board at any meeting of the Board shall be final except where a Member of the Board appeals an order or ruling by motion and such motion is approved by a majority of the full membership constituting the Board. An appeal motion may be made only immediately after the order or ruling being appealed has been made. If the presiding officer determines that the situation or circumstance, as a result of
disorder, constitutes an emergency and that a vote is not possible, he/she may solely decide to adjourn the meeting.

The General Counsel shall act as parliamentary law advisor at all meetings of the Board.

1015. AMENDMENT OF BYLAWS

The Bylaws of the Board of Education may be amended only at a regular meeting and by a majority vote of the full membership constituting the Board. Any and all amendments to these Bylaws shall specify therein the section thereof sought to be amended.

1016. SUPERINTENDENT AS OFFICER OF BOARD

The Superintendent of Public Education shall be the Chief Executive Officer and permanent Secretary of the Board of Education ex officio, in accordance with California law. The Superintendent shall be evaluated annually by the Board of Education. The Superintendent shall prepare agendas for all meetings of the Board and conduct official correspondence for the Board. At his or her discretion the President of the Board of Education may consult with the Superintendent concerning the preparation of agendas for meetings of the Board of Education. The Superintendent shall, whenever possible, send information concerning matters of major significance to the Members of the Board not less than one week in advance of the proposed action by the Board of Education. If such information is not available in advance, the Board may consider the matter a “first reading.”

1017. GENERAL COUNSEL

The General Counsel shall be an attorney admitted to the practice of law in the State of California and shall provide legal counsel and representation to the full extent provided by Education Code Section 35041.5 for the Board of Education and the Superintendent. The General Counsel shall attend all meetings of the Board of Education unless excused. Under direction of the President of the Board and the Secretary of the Board, the General Counsel also shall be Assistant Secretary of the Board and prepare notices for all meetings of the Board of Education, supervise the recording of the minutes of such meetings, be the custodian of the official minutes of the Board of Education, certify to the authenticity of the minutes, or portions thereof, of meetings of the Board, and conduct correspondence for the Board as requested by the Board Secretary or as required in the exercise of the responsibilities of the General Counsel.
1018. **REGULAR MEETINGS** (Ralph M. Brown Act, Government Code Section 54954.2)

Regular meetings of the Board of Education shall be open to the public and shall be held in the Auditorium, Eugene Brucker Education Center, 4100 Normal Street, San Diego, California, or at such other places, or times, within the District as the Board shall designate. Regular meetings shall be held on the second and fourth Tuesday of each month. Meetings will begin at 1:30 p.m., with “Public Hearings: Matters to be Considered in Closed Session.” Immediately following the public hearings on closed session items the Board shall enter into closed session and reconvene into open session commencing at 3:00 p.m., unless a Tuesday falls on a legal or Board-declared holiday, in which event the meeting shall be deemed canceled unless rescheduled for the Monday preceding or the Wednesday following the holiday.

The Board believes that late night or lengthy meetings deter public participation, can affect the Board’s decision-making ability, and can be a burden to staff. There shall be a five (5) hour maximum time limit on regular meetings of the Board, unless extended by majority vote of the Board. The meeting shall be extended no more than once and shall be adjourned to the next regularly scheduled meeting or to a specified date, time and location determined by a majority vote of the Board.

Each verified employee organization shall be entitled to appoint one of its members, who shall be relieved of his or her normal duties of employment with the School District in sufficient time to attend special meetings of the Board. Such employee shall suffer no loss of pay in attending Board meetings pursuant to this section.

A School Police Officer shall attend all regular and special meetings of the Board of Education.

1019. **SPECIAL MEETINGS** (Ralph M. Brown Act, Government Code Section 54956)

Special meetings of the Board of Education may be called by the President at the request of any Member of the Board or the Superintendent. Special meetings shall be open to the public and shall be held in the place designated in the notice and call of the special meeting in accordance with California law. Each verified employee organization shall be entitled to appoint one of its members, who shall be relieved of his or her normal duties of employment with the School District in sufficient time to attend special meetings of the Board. Such employee shall suffer no loss of pay in attending Board meetings pursuant to this section.
1020. **ANNUAL CONSIDERATION OF BOARD BYLAWS**

At the annual organizational meeting of the Board of Education, the Secretary shall present to the Board of Education for readoption these Bylaws which are then in effect and such Bylaws shall be considered, along with any proposed amendments thereto, for approval by a majority vote of the full membership.

1021. **VOTING**

The Superintendent shall be afforded the opportunity to make recommendations, if any, on all matters pending before the Board of Education prior to the time the presiding officer calls for the vote. With respect to matters of major significance, the Superintendent shall make known to the Board optional or alternative courses of action and their consequences. Except as otherwise provided by law or these Bylaws, all matters pending before the Board shall be decided by a majority vote of the full membership constituting the Board. (Education Code Section 35164) The Ayes and Nays shall be taken and entered into the record.

Abstentions shall be recorded as abstentions but counted as agreeing with the action taken by the majority of those who vote, whether affirmatively or negatively, except in those circumstances where an abstention vote is compelled by state law (e.g., conflict of interest) and in the election of Board officers.

1022. **WRITTEN COMMUNICATIONS TO THE BOARD**

All written communications addressed to the Board of Education involving policy matters which are properly the first concern of the Board shall be referred to the Office of the Superintendent for a written response.

1023. **PUBLIC HEARINGS AT MEETINGS OF BOARD OF EDUCATION**

In order to provide an orderly process in receiving public testimony on matters before the Board, the Board encourages proponents on the same subject to determine in advance their principal speaker(s). The Board also encourages all public hearing speakers, whenever possible, (a) to be direct and concise, (b) to avoid repetition of statements made earlier by fellow proponents on the same subject, and (c) to place their views in writing and provide advance copies to Board members and the Superintendent. If questions are to be submitted to the Board, such questions must be in writing. The Superintendent, if requested by the Board, shall provide written responses to such questions subsequent to the Board meeting at which they were posed.
There shall be two types of public hearings conducted by the Board of Education at its regular public meetings, as follows:

A. **Agenda Hearing**--Any organization and/or person who desires to be heard by the Board on an item listed on the agenda shall come forward before or during the meeting and submit a Public Hearing Request form to the Parent Support and Board Services Office or to the Board Action Officer at the meeting, for or against the staff recommendation. Public Hearing Request forms will be accepted up to the time the item is called for discussion. Once discussion of the item begins, no Public Hearing Request forms will be accepted. Any organization and/or person making such request may express their opinion publicly to the Board about an agenda item at that point in the agenda immediately prior to the action item when the Board considers such action item. Organizations and/or persons requesting an Agenda Hearing who desire to be listed on the final printed agenda shall make such request prior to noon on the Monday eight (8) days preceding the regular Tuesday meeting of the Board.

In the interests of expediting the consideration of other business before the Board, upon receiving an agenda hearing on a consent item, the Board may act to defer consideration of the consent item which is the subject of the agenda hearing to that point in the meeting immediately prior to adjournment. Persons addressing the Board in an agenda hearing shall confine their remarks exclusively to the agenda item about which they speak and they shall not be permitted to participate in any legislative deliberations of the Board about the agenda item.

No deferral of time will be allowed.

B. **New-Matters Hearing**--Any organization and/or person who desires to be heard by the Board on an item which is not listed on the agenda shall come forward before or during the meeting and register a request for a New-Matters Hearing to the Parent Support and Board Services Office or to the Board Action Officer at the meeting. Organizations and/or persons requesting a New-Matters Hearing shall be prepared to be heard by the Board at the end of the meeting. A person requesting a New-Matters Hearing who desires to be listed on the final printed agenda shall make such request prior to noon on Monday eight (8) days preceding the regular Tuesday meeting of the Board. All requests for New-Matters Hearings must be made prior to the time the public hearings on new matters commences. A person whose New-Matters Hearing is listed on the agenda shall receive first priority in determining the order of new-matters-hearing speakers at the Board meeting.

No deferral of time will be allowed.
The Board shall take no action other than an action of referral on any subject discussed in a New-Matters Hearing at the same Board meeting in which the New-Matters Hearing is heard unless the Board expressly declares an emergency to exist with reference to such subject.

All individuals submitting a Public Hearing Request form in a timely manner, up to the time the item is called for discussion, will be given an opportunity to address the Board.

C. Time Limits—Agenda hearings shall be limited to a maximum of 20 (twenty) minutes per consent and/or action item allowing for a maximum of 10 (ten) minutes per opposing viewpoint, and with a maximum of three (3) minutes per speaker unless such time limit is waived by the Board President. The President shall announce the amount of time allocated for agenda hearings prior to the Board’s consideration of “Public Hearings: Agenda item.”

New-Matters Hearings shall be limited to a maximum of 15 (fifteen) minutes per item with a maximum of three (3) minutes per speaker unless such time limit is waived by the Board president.

Individuals who wish to speak to multiple items will be allowed no more than 4 (four) minutes in total and no more than 3 (three) minutes per single item.

Any hearing may be interrupted at any time on motion of any one member of the Board. If interrupted, the Board then shall decide whether it should continue to hear the speaker in public meeting, whether it should hear the speaker in private closed session, or whether it should refuse to continue hearing the speaker at all.

1024. ENDORSEMENTS BY BOARD OF EDUCATION

The Board of Education shall not endorse organizations or activities which it does not deem to have a direct impact on the educational program of this School District or which it finds are unrelated to the jurisdiction exercised by the Board in the normal course of discharging its duties as the people’s trustees of education.

1025. BOARD COMMITTEES

The Board of Education may establish ad hoc or standing committees of its membership to perform factfinding functions in any matter under jurisdiction of the Board. The Board of Education shall appoint a chairperson from one of its membership for each committee established. The Superintendent of Public Education shall be an ex officio member of every committee established by the Board of Education and either the Superintendent or the Superintendent’s delegate shall attend each meeting of all committees.
A committee shall report its findings of fact to the Board of Education at a public meeting of the Board at which time the whole Board shall consider the findings of fact contained in the report together with the recommendation of the Superintendent.

Notice of committee meetings shall be given as required by, and in accordance with, California law.

All committee meetings shall be open to the public and the schedule of committee meetings shall be posted on the Board bulletin board located adjacent to the Auditorium of the Eugene Brucker Education Center. Unless otherwise directed by the chairperson of a committee, electronic recordings shall not be made.

1026. CITIZEN COMMITTEES

The Board of Education may appoint citizens of the community to serve on citizen committees for the purpose of counseling and advising the Board on matters pertaining to the government of the District. Citizens so appointed shall receive no monetary compensation nor expense reimbursement.

Citizen committees appointed by the Board act in a purely counseling and advisory capacity and their findings and recommendations are not binding on the Board. All findings and recommendations of citizen committees, including minority reports, shall be submitted to the Board and the Superintendent and shall appear on a public agenda of the meeting of the Board held next after receipt of the communication by the Board and the Superintendent. If a citizen committee communication challenges the personal capacity of an employee to render service to this Board, involves a School District matter being litigated in the courts, or concerns the reputation of a pupil or former pupil of this School District, it shall not be placed on the public agenda. Instead, such communication shall be offered for private consideration of the Board at a closed session which shall be held following the meeting of the Board next after receipt of the communication by the Board.

The Superintendent is enjoined to make available immediately any information to the citizen committee concerning the governing of the District which such citizen committee from time to time may request in the course and scope of fulfilling their charge from the Board. Nothing in this section shall be construed to prohibit the employment of professional consultants as permitted in law by the Board.
1027. WRITTEN RECORD OF BOARD PROCEEDINGS

The official records of proceedings of Board of Education meetings shall be known as the minutes. The minutes shall be a record only of actions taken by the Board of Education, except that any member or the Superintendent may direct that his or her remarks, or a summary thereof, made during the meeting, be included in the minutes. The minutes shall be approved by the Board of Education at any subsequent meeting by majority vote of the full membership constituting the Board. The minutes, when approved by the Board of Education, shall be the official records of the proceedings at which they were taken. The President, Secretary, and General Counsel shall affix their signatures to the minutes after they have been approved by the Board of Education. The minutes shall be kept forever as permanent public records of this Board.

1028. ELECTRONIC RECORDINGS OF BOARD PROCEEDINGS

Where practicable, all meetings of the Board of Education shall be recorded in the entirety by an electronically actuated recording device. Such recordings as are made shall be considered unofficial public records of the proceedings of the Board designed primarily to assist in the preparation of the minutes.

1029. EDUCATIONAL EMPLOYMENT RELATIONS ACT COLLECTIVE NEGOTIATIONS SESSIONS--SCHOOL DISTRICT EMPLOYER-EMPLOYEE RELATIONS

A. All forms of proposals described herein which have been made by the San Diego Unified School District (District) or an exclusive representative in the Educational Employment Relations Act collective negotiations process are matters of public record under Government Code Section 3547. A file of such proposals, including the position, if available, on such proposals, of:

1. Each member of the Board of Education expressed by roll call vote at a public Board of Education meeting, or

2. The District’s representative shall be maintained in the Labor Relations Office, Room 1202, Eugene Brucker Education Center, and shall be available for public inspection during regular working hours within 24 hours of the making of any such proposal.

B. Any initial proposal made by the Board of Education or an exclusive representative shall be:

1. Distributed to:
   a. San Diego Unified Council of PTAs;
b. Each elementary and secondary school principal, who shall promptly post it in a place in the school conveniently accessible for viewing by interested members of the public, students, and staff during school hours;

c. San Diego City Librarian in sufficient quantities for further distribution to each San Diego City branch library within the District boundaries for reserve use in the libraries; and

2. Posted on the Board of Education Bulletin Board on the first floor in the Eugene Brucker Education Center for public viewing during regular Education Center business hours.

In addition to the distribution and posting requirements set forth in this paragraph, the District shall prepare a written notice of the fact that an exclusive representative or the District has presented an initial proposal and that such initial proposal may be viewed in places described in this paragraph, above. This written notice shall be sent to all persons and organizations that are sent Board of Education public meeting agenda by including such notice in the agenda materials sent to such persons and organizations in connection with the next regular public meeting of the Board of Education scheduled immediately following the Board of Education meeting at which the initial proposal was presented. This written notice also shall be sent by regular school mail at the same time prescribed above to the presidents or chairpersons at each school's PTA and citizens advisory committee.

C. For the purposes of this procedure, the following definitions shall apply:

1. **Initial Proposal.** This is an offer for consideration made by either the District or an exclusive representative on a subject matter which has not been introduced by that entity into the collective negotiations process during the negotiations for the next collective negotiations agreement under the Educational Employment Relations Act.

2. **Subsequent Proposal.** This is an offer for consideration made by either the District or exclusive representative subsequent to the initial proposal which is on the same general subject matter but differs in cost or other degree from that entity’s initial proposal or is introduced for the purpose of attempting to resolve an impasse in negotiations.

3. **Exclusive Representative.** This is the exclusive representative of each certificated and classified appropriate unit authorized to participate in the collective negotiations process with the District under the Educational Employment Relations Act.
D. An initial proposal made by the District or the exclusive representative shall be made only in public meetings of the Board of Education. No later than thirty (30) calendar days following the presentation of its initial proposal by an exclusive representative, the Board of Education shall present a position in public meeting in response to such initial proposal which shall constitute the Board of Education’s initial proposal. During this public notice period, the Board of Education representative and the exclusive representative may meet for the sole purpose of clarifying, or obtaining more information about various provisions of the exclusive representative’s initial proposal. At least six calendar days must elapse after the presentation of the initial proposal of the Board of Education before the Board of Education may finally adopt its initial proposal in a public meeting and before negotiations may commence.

E. During such public notice period, or at any time thereafter, members of the public are welcome and encouraged to address the Board of Education by letter or in public hearing in public board meetings expressing their views on any proposal in the Educational Employment Relations Act collective negotiations process which have been made part of the public record. To facilitate such public comment, each time the Board of Education deems it necessary to consider in public meeting any initial proposal or subsequent proposal received from, or to be offered to, an exclusive representative, notice of such consideration shall be printed on the meeting agenda under the section, “F. Superintendent’s Report” with an appropriate notation that:

1. It is currently an item subject to the collective negotiations process under the Educational Employment Relations Act, and

2. Members of the public are welcome to express their views thereon.

F. While the intent of this procedure is to inform the public about matters which are the subject of collective negotiations under the Educational Employment Relations Act toward the end that members of the public may provide the benefit of their viewpoint to the Board of Education, any failure to make a distribution, post a notice, maintain a record, or list an agenda item required under this procedure shall not invalidate any agreement reached or process engaged in during, or as a result of, collective negotiations under the Educational Employment Relations Act. Moreover, nothing in this procedure shall limit the legislative discretionary authority of the Board of Education to act in a governance situation designated by the Board of Education as “emergency” in nature to prevent personal injury, property damage, or immediate harm to the educational program of the District to the extent such action is permitted under the Educational Employment Relations Act and other applicable law.

G. Prior to the Board of Education entering into a written agreement with an exclusive representative, the major provisions of the agreement, including
the current costs, costs for subsequent fixed years, and costs incurred under the agreement, will be provided at a public meeting of the Board of Education.

1030. CLAIMS FOR FEES, SALARIES, WAGES, MILEAGE OR OTHER EXPENSES

(f) The amount claimed as of the date of presentation of the claim, including the estimated amount of any prospective injury, damage, or loss, insofar as it may be known at the time of the presentation of the claim, together with the basis of computation of the amount claimed.

Such claim shall be presented not later than one year six (6) months after the accrual of the cause of action. If the General Counsel does not act on the claim within 45 days after its presentation, such claim shall be deemed to have been denied on the 45th day. A claim shall be deemed to be presented when filed in the Office of General Counsel.

1031. AGENDA PLANNING COMMITTEE

An Agenda Planning Committee shall meet to establish the agenda for Regular Meetings. Members shall include the Board President and Vice President and the Superintendent. Meetings of the Agenda Planning Committee shall be held no less than eight (8) days prior to the corresponding Board Meeting. The agenda established by the Agenda Planning Committee shall constitute the final, posted agenda. Additions of emergency items after the final agenda has been established shall require the review and approval of the Superintendent or his designee and the Board president or in his/her absence, the vice president.
Board members receive copies of major reports on Friday, eleven (11) days prior to the regular Tuesday Board meeting. The final Board agenda and all exhibits/reports are distributed to the Board, press, public, community groups, employee organizations, and all others requesting such information on Tuesday seven (7) days preceding the regular Board meeting.

If such a request is not made, the item will remain on the Consent Agenda until a request is made at the board meeting.
