Said SDG&E has requested this Board to dedicate said easement to the SDG&E.

In the judgment of this Board, public convenience makes it expedient that said request be granted.

NOW, THEREFORE, the Board of Education of said District hereby resolves that it is the intent of this Board to dedicate to said SDG&E an easement for working space and incidentals thereto, through, over and across that portion of real property in the City of San Diego, County of San Diego, State of California, belonging to said District, and more particularly described as follows and in Exhibit "A."

Provided, however, that in the event the use of said real property for the purpose of a working space is discontinued, said property shall revert to District.
