- AGREEMENT SUMMARY: San Diego Unified School District contracts with nonpublic, nonsectarian schools or agencies to provide special education and/or related services to students with special needs.
- TERM: July 1, 2005 through December 31, 2005
- AMOUNT OF FUNDING: Not to exceed \$65,000.00

- BACKGROUND INFORMATION: Under federal and state laws and regulations, pupils with disabilities ages 3 through 21 must be provided appropriate educational programs. If these programs are not available in a public school setting, then an alternative would be a nonpublic, nonsectarian school placement to meet the requirements of the Individual Education Plan. The agreement submitted for board approval would assure providing a special education and/or related services through a nonpublic, nonsectarian school to individuals with exceptional needs.
Rationale for Ratification: The Non-Public School/Non-Public Agency Schedule(s) of Approved Fees was distributed to the District in late June 2005. After preparing the master contract agreement and obtaining signatures, August 9 is the first available board date.
