

Cherokee Point Elementary School

3735 38th Street, San Diego, CA 92105

Built in 2005
Site Acreage: 6.9 acres
484 Students

Ad hoc task force guiding principles were established to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Cherokee Point Elementary School opened in 2005 as a completely new facility. As one of San Diego Unified School District's newest schools, Cherokee Point Elementary School meets the current district facility standards. Future improvements, within the areas of need identified in the bond measure, may be required. This school will benefit from the site discretionary fund allocation of \$150 per student.

Project Improvements to Support Student Learning and Instruction
