

Juarez Elementary School

2633 Melbourne Drive, San Diego, CA 92123

Built in 1961
Site Acreage: 8.8 acres
313 Students

Ad hoc task force guiding principles were established to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:
