Ad hoc task force guiding principles were established to assist in developing educational facilities that:

- are the heart and soul of the community
- have parity of the physical facilities and structures
- improve student learning and achievement
- improve accountability

### Site-Specific Bond Project List

The following needs were identified through a comprehensive planning process, which included input from school site representatives to cluster meetings, district departments and other assessment measures.

The language below will be included in the bond resolution:

Lincoln High School reopened in 2007 as a completely rebuilt facility. As one of San Diego Unified School District's newest schools, Lincoln High School meets nearly all the current district facility standards. Future improvements within the areas of need, identified in the bond measure, may be required. This school will benefit from the site discretionary fund allocation of \$150 per student.
