Description

Adams = Excellence! Our school is located in the Kensington/Normal Heights area. Most students live in the neighborhood, a small percentage attends through the Choice program. The majority are eligible for free or reduced-price lunch.

We work hard to build character through the Adams' Way-Character Education. All classrooms focus on monthly topics such as fairness. We are working together for a peaceful campus!

Our professional, dedicated and caring staff focus on helping all students achieve grade level proficiencies. Teachers participate in professional development and collaboration for the educational success of all children.

Adams shares its playground facilities with San Diego's Parks and Recreation Department. Our

playground facilities are therefore subject to increased litter, graffiti, and vandalism. We work closely with the City of San Diego and San Diego Police Department to address this problem.

Parents, the business community and public play an important role at Adams. We encourage parents to support their children at home by making their expectations about school clear and creating a positive homework and learning environment. We solicit parents and community members to become actively involved at Adams by volunteering in classrooms, attending school events, and participating in the decision-making process as members of committees, such as SSC, ELAC and SGT.

Collaboration is the hallmark of Adams' striving for success. We never lose sight of our goal of improving performance for all Adams' students.
