FTE: 26.1
Per pupil allocation:
 \$14,157
Special Program Offerings

- GATE
- Title I
- VEEP
- Special Education (non severe classroom)

Description

Alcott Elementary and Infant Toddler Program is an exceptional school located in northwest Clairemont. Our elementary school serves students in grades K-5, our Infant Toddler Program serves children from birth to three years old, who meet disability eligibility criteria. We currently provide programming for 250 infants and toddlers throughout the District.

We like to brag about our school! Alcott’s team of highly qualified teachers, support staff, and volunteers work together to provide the best instruction for all our children. University of San Diego students provide tutoring.

All students receive one hour of physical education from a PE specialist, one hour of science enrichment, and 30 minutes of choral music weekly. We offer a variety of after school

enrichment opportunities such as science, Spanish, and yoga.

Alcott teachers design instruction to meet academic needs. Our Student Study Team implements interventions. The principal maintains weekly communication with parents and students through letters, phone calls, and individual contacts.

Alcott’s recycling program received numerous awards. Our school garden received several grants, making it possible for Alcott to construct garden boxes for all grade levels. Our active PTA and parents volunteer in classrooms, provide field trips, and assemblies. We have active partnerships with the Northern Division of the San Diego Police Department, Costco, and the University of San Diego.
