Description

Audubon K-8 School is located in the Lomita Village area. Most of our children reside in the Lomita Village area. The neighborhood is composed of older, single-family houses. Enrollment and ethnic distribution have remained stable over the last 11 years.

We educate students from Pre-K through grade 7, with a plan to expand to 8th grade next school year. Following the school uniform dress code and positive school climate rules is part of our school culture.

Audubon offers a balanced program to our diverse population. Our curriculum is aligned with state-adopted frameworks and guidelines. We successfully implemented the SBRC, to show how our students are progressing. Our educational program includes three biliteracy classes and a GATE program. We currently have two National Board Certified teachers.

We offer various school clubs and after school sports. Audubon received Channel 8's Cool School Award. New musical instruments were purchased through the VH1 Music in the Classroom grant.

Our school community collectively addresses the needs of the whole child and takes an active role in student learning. Partnerships with McDonald's, Navy Criminal Investigation Division, Ray and Joan Kroc Community Center, Junior Achievement, and San Diego Children's Choir provide an array of programs.

We work together to provide a child-centered, developmentally appropriate, safe, secure and supportive learning environment. Students are encouraged to become lifelong learners and empowered to acquire strategies to become critical thinkers and problem solvers
