**Schedule:** Year-round  
**Total Enrollment:** 385  
**FTE:** 16.0  
**Per pupil allocation:**  
 \$6,537  
**Special Program Offerings**

- GATE
- CBET
- RTI
- VAPA
- ELD
- Extended Day math/reading program

## Description

Bienvenidos, welcome! Located in the heart of San Diego in the historic Logan Heights neighborhood, the new Luther Burbank Elementary is a caring community school with the highest of expectations for our students and community. Our new school opened September 4, 2007. The majority of our student population resides within walking distance, and many of our students are second-generation Burbank students. Most of our students come from homes where Spanish is spoken.

We provide a standards and technology-based, balanced literacy curriculum. With our instructional focus on literacy and math, teachers, staff, and parents are highly committed to student learning and excellence. The Burbank student body is 98 percent Hispanic and 82 percent of our students are Learning English as their second language. Because of this, our classrooms are rich in learning experiences focusing on oral language

development, reading comprehension, and English language development.

Students are actively engaged in a rigorous and relevant standards-based curriculum that extends across content areas. In addition, Burbank practices a RTI model for students in need of additional support.

We constantly work together and with the community to ensure a safe and positive learning environment that promotes preparation, continuous improvement, and excellence! Opportunities for parent participation include family Fridays, family literacy/math nights, ESL classes and PTA.

Our school's improved API growth scores in 2002-03 and 2003-04 qualified Burbank for the Governor's Performance Award. With our strong team and commitment, we'll get there again! GO BEARS!
