## Description

Children from our diverse Linda Vista community and several surrounding San Diego neighborhoods come together at Carson to learn, grow and achieve. Our faculty is dedicated to teaching our students to develop into critical thinkers and problem-solvers.

All Carson classrooms brim with beautiful books, exciting classroom projects and bright, wonderful students. Our curriculum is aligned with state frameworks and guidelines.

Carson's instructional component features a strong focus on literacy, mathematics, science, social studies and the fine arts. Spanish-speaking students whose parents elect to have them participate in the Biliteracy program receive instruction in their primary language and in English. A full-time counselor provides

support to students and their families. All teachers participate in bi-monthly professional development.

Students receive academic support from America Reads tutors and USD practicum students. Winter and spring intersession classes aid students who score significantly below grade level in reading and/or math.

The Linda Vista community supports Carson through an array of partnership programs. They provide enrichment activities, student recognition assemblies and tutorial services for our students. Our partnerships include USD, Bayside Community Services, Francis Parker School, Mission Valley YMCA and the Kiwanis Club of Old San Diego.
