Description

Cesar Chavez Elementary School is located in the southwest section of San Diego. Opened in 1997, our school was named after civil rights activist and labor leader, Cesar Chavez who said, "My friends, the mind is no narrow creed. It is one of realizing the essential brotherhood of all peoples." Our school celebrates Cesar Chavez annually in March to honor his legacy.

Many new homes and businesses are part of the revitalized community. The Cesar Chavez learning community strives to achieve our mission by creating an effective educational collaboration between all members, students, parents, teachers, administration, staff and the local community.

Our faculty and staff are committed to preparing students by challenging and inspiring them to become independent, responsible citizens who will make a contribution in the world. The staff, students and parents at Chavez guide our work and way of thinking by our motto: "¡Sí, se puede! Yes, we can!"

Dance classes and The Community Music Center, sponsored by the La Jolla Chamber Music Society provide extraordinary enrichment experiences for our students. Active, supportive parent involvement makes programs such as Dad's Club and Family Friday possible and well attended. Two Hundred parents participate in Family Friday. Our business and community partners SPAWAR and the Rotary Club visit weekly, and read to our students.
