FTE: 35.0
Per pupil allocation:
 \$6,136
Special Program Offerings

- GATE
- PrimeTime
- Title I
- Multi-media Technology Magnet
- Pre-Kindergarten Classes
- Specialized academic instruction

Description

Chollas-Mead Elementary is located two blocks east of Interstate 805, in the Chollas View neighborhood of the Diamond District, which includes Emerald Hills, Lincoln Park, Mountain View, Mount Hope, North and South Encanto, Oak Park, Valencia Park, and Webster.

Our population is culturally diverse. We were recognized for closing the achievement gaps across ethnicities for the past two school years. In December 2008, we were recognized for the most improved attendance.

We have two campuses with one central office. Chollas contains grades 3 through 6. Mead houses K-2. In 2003 Chollas underwent major renovations, Mead opened in 2006. Each campus has regular and special education classrooms, library, computer lab, auditorium/multi-purpose facility, cafeteria, workroom, staff lounge, and fields. The child-care center and preschool classes are located in between both campuses. We offer class-sized reduction in all grades.

Teachers stringently follow state standards while incorporating technology. Students are exposed to, and are expected to utilize, technology in their projects. Two full-time technology specialists work in our labs. All upper grade classrooms have laptop stations.

Our expectation is for every parent and staff to assist students to reach proficient or advance competency in English, mathematics, science, and social studies. Parents are encouraged to participate in the harvest festival, holiday program, poetry celebration, talent show, and other community-building events. Parents are involved in governance, fundraising and numerous committees.

Our partners, Wal-Mart, HomeTown Buffet, Navy Personnel Support Detachment Miramar, San Diego Elementary Institute of Science and Jacobs Foundation, assist with school-wide programs and incentives.

Code	Program	Original Budget General Fund		
		All Resources Budget	Unrestricted Budget	Restricted Budget
