## Description

Welcome to Henry Clay Elementary! We are located in an established neighborhood of single-family houses and apartments in the Rolando area. Our learning community collaborates to ensure encouragement of a lifelong desire for learning and development of positive, successful contributing members of our global society.

We believe in and support achievement of academic excellence and social responsibility. We hold high expectations. We honor cultural diversity, provide rigorous and appropriate instruction for all, and identify and respond to students' strengths and needs. Student achievements are celebrated as they strive to realize their unlimited potential and develop into responsible, respectful and ethical citizens.

All students receive a three-hour literacy block, one hour of mathematics instruction and enjoy P.E. Students in grade 5 participate in music

instruction. This year, grades K-2 have 15 students per classroom.

Our highly skilled and experienced staff are supported by a dynamic PTA. Our Site Governance Team and SSC translate school priorities into budget decisions. SSC members work to involve parents of GATE and EL students in decisions affecting their children. Families participate in a variety of learning events that support both children and parents. These include monthly Pizza and Parenting classes, which explore a wide range of topics identified by community members.

Our community relations are mutually beneficial. Clay's joint-use field serves our students during the day and the community during non-school hours. Scout meetings, PTA events and the many activities, including tutoring, crafts and sports offered by the extended day program are held at Clay.
