Description

Crown Point is located in Pacific Beach and draws enrollment from all over San Diego. Our junior music academy magnet opened its doors in September 2008. Our school offers full day preschool as part of the magnet program. We currently have three preschool classes on campus. These form the foundation of our school program.

Based on our motto "Music Opens Minds", we integrate our curriculum with music. Music is also taught as its own discipline. One of our most popular programs is our Suzuki violin instruction where parents and primary students learn to play the violin in a nurturing, safe environment.

Suzuki Violin is available for students in Kindergarten and 1st grade who choose to

participate in the program. The optional Suzuki instruction will expand each year until it encompasses all grades. Our staff is dedicated to ensuring that our instructional program is sufficiently rigorous to lead students to become independent readers, mathematicians and scientists for life.

Shin'ichi Suzuki said, "I want to make good citizens. If a child hears fine music from the day of his birth and learns to play it himself, he develops sensitivity, discipline and endurance. He gets a beautiful heart."

Parents are an integral part of our educational program. We encourage parents to have a voice in our decision-making process and to work with us as we strive to make Crown Point a world-class school.
