Description

E. B. Scripps (EBS) Elementary School is nestled in beautiful Scripps Ranch. The majority of students come from single-family homes and speak English. We greatly appreciate the cultural diversity of our exceptional second language students.

Constructed in 1998 as a middle school, our doors opened to students in Fall 2007 after a \$1 million conversion. Our two-story, beautifully landscaped campus features a huge multipurpose building, modern library and classrooms containing the latest teaching technologies.

EBS is dedicated to Innovation, Imagination and Academic Excellence! Teaching and learning are inquiry- and standards-based. Students are encouraged to achieve academic and social success, enjoy learning, celebrate diversity, develop analytical skills and model exemplary

behavior. Character education is an integral part of our curriculum. All EBS community members cooperate to create a nurturing environment where learners are encouraged to take risks without anxiety, think critically and ask questions.

Strong parent participation in Academic Fundraising Partnership supports Super Pledge and family-oriented activities such as Spring Gala, Fall Festival and Father-Daughter dance. Parents volunteer in classrooms, on school committees and in Everyone-A-Reader and Fine Artists programs.

The strength of our teaching staff and involvement of parents and community in the education process are reflected in our 2008 API score of 937. We hold ourselves to the highest standards and expect everyone to do their very best.
