- Science lab
- Science labs
- Science Olympiad

Description

Encanto Elementary School is located in the neighborhood of North Encanto. We serve a richly diverse student population. Encanto enjoys lower class sizes, averaging 15 per class in grades K-2, 20 per class in grade 3, and 22 per class in grades 4 and 5. Our motto is "Soaring to Success!"

All students participate in science enrichment programs. The Tariq Khamisa Foundation non-violence program lessons empower students to make positive, non-violent choices. Our nurse and counselor provide excellent additional support for students' physical and social health and well-being.

Our outstanding staff consistently implements a strong, standards-based instructional program, providing learning opportunities in both English

and Spanish. All teachers have been trained in Systematic English Language Development instruction.

Teachers plan and collaborate with colleagues. Ongoing professional development ensures that teachers are prepared to meet student needs. Teachers receive support from resource teachers in the subjects of English, literacy and math.

Our parents and business partners are a vital part of our school community offering time and resources to support our students. Our PAL helps build parent involvement on campus and provides trainings and meetings such as CBET, Head Start classes, family Fridays and monthly coffees with the principal. Parents actively participate in shared decision-making through the SGT, SSC, and ELAC.

Code	Program	Original Budget General Fund
