## Description

Welcome to Field Elementary! Our school is in the North Clairemont neighborhood, a mix of homes, apartments and commercial properties including the Clairemont Square shopping center. Our biggest next-door neighbor is the North Clairemont Park Recreation Center, with whom we share a joint field.

Our diverse student population mirrors the District. Almost 50 percent are learning English and 86 percent participate in the federal Free and Reduced Price Meal Program. We are a wonderful blend of students from the neighborhood, VEEP and Choice. Many who enroll in our pre-school programs choose to stay and continue through the sixth grade.

Field is fast becoming a school of scholars. Our teachers are excellent and our program rigorous. Our academic focus remains on

reading comprehension. The subgroup on the rise is our English learner population. This year we used Title 1 funds to give students extra help with part-time support teachers. These teachers work with large and small groups, helping to reduce class size, supporting our (160) English learners, and teaching science, literacy, and mathematics. Watch us- we're on the way up!

We love our parents and encourage and welcome participation in their child's education as much as possible, for example as classroom volunteers.

Although our campus is 60 years old, we are working diligently to upgrade and modernize. Our recently painted exterior is much more welcoming. A project in process is greening our campus. We are growing more grass and have an active gardening club.
