Total Enrollment: 332
FTE: 16.8
Per pupil allocation:
 \$7,822
Special Program Offerings

- GATE Cluster
- CDC
- Special Education
- Title I
- PrimeTime

Description

Florence Elementary School is committed to establishing a supportive community where students learn every day. Involvement of all stakeholders, students, families, staff and community raises achievement levels.

Florence received the Title 1 Academic Achievement award for the last five years. Title 1 funds enable us to build teachers' expertise and rigor in the classroom. We provide a minimum of five additional hours of weekly small group sessions for all students outside regular school hours. Our students receive tutoring in mathematics, reading and writing.

Our CDC serves two to five year-olds. Funding from state grants, and support from the District Extended Learning Opportunities department, provides resources for PrimeTime. Homework assistance groups, classes to support English Learners, and organized physical activities for grades K-5 are coordinated by our site director.

Collaboration with our partners enriches students' education. The Assistance League of San Diego offers library assistance. Classics for Kids provides professional development in music. Our partners at the UCSD School of Education PAL Program, local artists, community members and parents work with us to create murals that reflect our vision. This project continues in grades 3-5.

Florence received the 2007 and 2008 Star Schools award from California Business for Education Excellence/Just for the Kids - CA. Star Schools have a high poverty, high minority student population. This award acknowledges significant challenges and our tremendous progress bringing students to grade level proficiency and closing achievement gaps. We received the ENERGY STAR for K-12 in 2005, and several environmental awards.
