## Description

Bethune K-8 School is located in Paradise Hills, bordering National City. The majority of our families are Asian or Pacific Islanders of Filipino descent. We establish and promote a culture of collaboration and trust among students, staff, parents, and community.

Our vision is all Bethune students will achieve academic and social success, appreciate diversity, develop analytical skills, and model exemplary behavior. Attainment of these goals will ensure a solid foundation for students' future education and prepare them as citizens in a global, technological society.

Bethune is committed to ongoing assessment and analysis of students' data to inform our instructional decisions. Curriculum is continually studied and refined. Our programs support English language acquisition and student achievement. We are integrating computer technology into the science curriculum with

support from a science and technology grant. After school enrichment activities include basketball club, tennis, Samahan Dance, and yearbook.

We are very fortunate to have a high level of parent commitment and involvement. Parents serve as classroom volunteers, members of various school committees, and are present before school, and during lunch. Our community partners include the Personnel Support Division of the North Island Naval Base, Hometown Buffet, the National Council of Negro Women, Alpha Phi Omega Alumni Association, Pizza Plaza, and the Center for Information Dominance.

Bethune ranked third in the District for the best attendance rate. Our first year tennis team took several medals at a recent tournament, including a first place award in doubles tennis.
