## Description

Garfield Elementary is located in North Park. Single-family houses, apartment complexes, and small businesses surround the school. Our school was rebuilt and reopened as an elementary school in 1999. Many of our students are non-English speakers. The area has a high poverty rate.

We follow the District academic standards and curriculum framework for all subject areas. Our instructional program implements state standards utilizing Units of Inquiry for literacy and math. Science and social studies are taught with the state adopted materials provided by the District. Four Garfield students were awarded the TODOS: Mathematics for ALL Regional Math Student Award. Our principal received YMCA of San Diego County Principal of the Year award.

All grades receive art, drama, and technology classes. We offer Collaborative Art Resources for

Educators (CARE), a unique collaboration between the District, Museum of Contemporary Art San Diego, Museum of Photographic Arts and San Diego Museum of Art

Garfield participates in the Response to Intervention (RTI) program. RTI identifies high-risk students and provides interventions based on diagnostic assessments, enabling students to be successful in all future academic and social environments. Three special day non-severe classes are provided. Student support is available from a resource specialist program, speech therapy, and occupational therapy.

Parents volunteer in classrooms and the library and serve on ELAC and SST. Our partners are the North Park Lions Club, Mission Valley Rotary, La Jolla Jewish Community Center, Pacific Children's Theater, and San Diego Museum of Art.
