Description

Welcome to Willard B. Hage Elementary School. Located in the Mira Mesa area, we serve an extremely diverse and friendly community. A sense of family is very important to us. We believe in respecting ourselves, and others, working cooperatively, developing self-esteem, and communicating openly.

Our curriculum is standards-based and stresses higher-level thinking skills. Technology is used to support teaching and learning. Staff focus on helping all students achieve success, particularly those at risk of academic failure. A Student Study Team meets weekly to mobilize all of our resources on behalf of our students.

We believe all constituents, parents, teachers, students, business partners, and volunteers, play a vital role in the success of our programs and, ultimately, student achievement. We work together. Parents have many opportunities for involvement. We encourage parents to give

support at home by making expectations clear and creating a positive homework and learning environment.

To make our campus safer, a committee of owners of the new Casa Mira View apartment complexes, parents, and concerned neighbors, is working to design a plan to reconfigure our existing parking on site and add an additional one behind the school.

Our school was featured in TIME magazine in February 2009, in an article entitled "Making Reading, Writing, and Recess Work Together."

We encourage you to visit our campus. Hage is a clean and safe environment where children are excited about, and engaged in, learning, and hard-working staff members love what they are doing.
