Description

Hardy Elementary School opened in 1957. Our school is named after Edward L. Hardy, an outstanding educational figure in San Diego County. We are located in the College Area, adjacent to SDSU. Our students and staff benefit from a variety of supportive associations with SDSU students and staff.

We are very proud of our traditionally strong academic program. Recognized as a High Achieving Title 1 School, our mantra "Excellence in Education" is truly validated. Administration, staff, parents, students and community members work as a team. We seek to foster the love of learning and provide an educational experience where students receive a well-balanced program.

Our standards-based instructional program and supplemental materials support state grade-level standards. Hardy students enjoy many extra curricular activities, such as instrumental

music, weekly art lessons by a credentialed art teacher, after school programs and an exceptional physical education program provided by SDSU.

At Hardy we are committed to obtaining community resources for our school and invite all constituencies to assist us in the education of our students. We are fortunate to have a very active parent community. We are committed to working with and engaging parents as partners in education. Parents have many opportunities to be involved.

Students are encouraged to become inquisitive learners by developing intellectual curiosity and a thirst for discovery and achievement. We strive to create a diverse community that fosters mutual respect and social responsibility, enhanced by a strong partnership between home and school.
