Description

Hawthorne is intent on ensuring that all students have access to the best quality of curriculum and instruction in all subject areas, learn and play in a family-friendly environment on a safe, orderly and well-maintained campus, and have funding sources to meet their needs in the classroom for success.

Believing in arts education as a critical component of all students' education, we specialize in the arts, with an inclusive music program for grades 3-6. An art prep time teacher provides a special emphasis for K-6 students. Artists-in-residence provide valuable visual and music art instruction. Our parents and community are strong supporters of the arts as well.

In keeping with our pursuit of technology as a tool, we have an incipient science and computer lab. We continue to seek funding to properly equip this room for all students. We strive to maintain a natural progression that aligns to our feeder schools, CPMA and Innovation Middle.

Hawthorne is proud to be an API 7-8 school boasting many achievements. Students have received awards from contests such as Border Voices Poetry, San Diego Water Authority Art, San Diego Immigration Essay and San Diego Math awards. Student choral groups have performed for KUSI's Songs for the Holiday Season and San Diego County's Junior Recorder Festival. We have high attendance percentages and excellent conservation of utility consumption.
