## Description

Phoebe Hearst’s goal is to ensure that every child receives a meaningful, strong education so they reach and exceed grade-level standards. The compact size of our site and high stability of our families add to the warm nurturing environment for our students. Our well-kept campus is always being improved through the support of staff, students and parents.

Hearst's staff is committed to preparing each student for the rigors of middle school. We hold our students to high levels of behavior and academics. These expectations create a wonderful tone in the classroom and peaceful, fun playgrounds.

Our teaching staff collaborates regularly with grade-level teams to plan for instruction. Our entire upper grade team is GATE-certified.

Our community bolsters our students by volunteering and providing financial support. The arts are most assuredly alive at Hearst, with music and visual arts opportunities for all grade levels, supported in part through our Foundation and PTA. Our Foundation has completely outfitted our computer lab. Several community partnerships greatly enhance life for our students.

Hearst has been honored for the past two years as a Scholar School by the California Business for Education Excellence. This recognition means our students are achieving at high levels and our school is in a position to have 100 percent of students achieving grade-level proficiency. Many students enter and win local writing contests; a curriculum focus for the past three years.
