Description

Herbert Ibarra Elementary School is located in the Colina del Sol neighborhood of City Heights. Our school opened in 2005. Students come from the surrounding community, with the exception of some students who attend our special education ILS program. Approximately 80 percent are English learners. Hispanic, Somali and other African ethnic groups, and Vietnamese heritages are highly represented in the community. Approximately 85 percent of our students qualify for free or reduced price lunches.

All staff members have professional expertise and desire to build a strong, collaborative learning community. Our common vision for teaching and learning is that all members of the Herbert Ibarra learning community are thinkers, confident, respectful, responsible and healthy.

Students who need extra literacy and mathematics support can attend winter and spring vacation Intersession classes. Our resource and recovery teachers work with students and teachers to increase proficiency and incorporate technology across all curricular areas.

Community partnerships provide outstanding resources. Annual Price Charities grants fund after-school academic and enrichment programs. Our students have access to free hockey lessons from Disney GOALS and free golf lessons from Pro-Kids Golf and Learning Academy. The Timberland Company provided a mini campus makeover in December 2007. The company painted murals, stocked garden boxes, improved landscaping, donated gardening and maintenance equipment, and outfitted 35 students with boots, jackets and backpacks.
