## Description

Jerabek Elementary is named in honor of Chauncy I. Jerabek. Mr. Jerabek was the gardener for Mr. Scripps, who owned the Scripps Ranch area where our school is located. Here you will find single-family dwellings, community parks, soccer and Little League opportunities, and a wonderful public library.

Our school just celebrated its 30th anniversary. Built in 1978, our permanent buildings reflect an open floor plan that supports co-teaching and collaborative opportunities. Ninety-eight percent of our total teaching staff are GATE certified, including grades K, 1, and 2.

Jerabek maintains a strong instructional focus. Careful monitoring of students, detailed

analysis of data, and cooperative planning sessions ensure student achievement. This year our academic focus is on writing applications and number sense. Students are given daily opportunities to meet goals. We are proud to say that Jerabek works with healthy, happy, children who are on the road to academic access and independence.

Our supportive community takes an active interest in our school. Volunteers are on campus regularly to support instructional, operational, and enhanced enrichment opportunities. Our Family Faculty Organization (FFO) works hard to raise dollars to support our students' overall Jerabek experience. We invite all to participate in our many school wide events!
