## Description

Benito Juarez Elementary is located above Qualcomm Stadium in Serra Mesa. Many current students are second-generation attendees! Approximately half our students are from single family and multiple unit dwellings in the neighborhood; half are from the community of City Heights. The majority speak a language other than English at home. Office, administration, health, and teaching staff include Spanish speakers.

Our clean, well-maintained, campus was built in 1961 and includes a beautiful joint use athletic field shared with the City of San Diego Parks and Recreation Department. We recently received landscaping improvements. A science garden grant funds our school garden cultivation and maintenance.

Experienced and dedicated teachers, paraeducators, and staff, are focused on rigorous standards-based instruction. We offer literacy block, mathematics, focused English

language development, art integrated with literacy, science, social studies and weekly physical education. A VAPA grant funded art supplies. Character education is an integral part of our program.

We solicit and highly encourage family involvement. Parents participate as classroom volunteers, Parent Pals, serve on advisory committees or assist with special events.

Our partners are Mondo's Fenton Parkway, Mission Federal Credit Union, McDonald's, Longs Drugs, Vons, the SDSU Psychology Department, the Jefferson School of Law Federal Work Study Program and Mesa College Everyone a Reader tutoring program.

Benito Juarez Elementary is small and personal, with loving and experienced staff. "Respeto al derecho de los otros, ajeno es la paz." "Respect for the rights of others is peace."
