Description

Dr. Jack Kimbrough Elementary is located in a neighborhood of single-family houses, apartments, and small businesses in Grant Hill. Our motto is "Be Kind, Work Hard." We focus on high expectations and learning for all: students, families and community.

We provide quality neighborhood-style education. Our modern facilities have a cheerful, welcoming ambiance. Well-stocked classrooms with up-to-date technology further our instructional goals.

We present students with the life skills needed to be successful in a diverse society. We encourage and enable students to become lifelong learners, capable of adjusting to a

multicultural world of rapid changes. A range of support is provided for students who need additional assistance.

Kimbrough places a high priority on staff development. Ongoing opportunities help teachers enhance instructional practices. Teachers apply success-oriented strategies across content areas.

Parent involvement is key. We offer weekly parenting training. We have a literacy room for parents to borrow books for home reading. Our community partnerships with organizations such as AmeriCorps, the Urban League and Washington Mutual round out our supportive academic atmosphere.
