## Description

Henry Wadsworth Longfellow Spanish Immersion School is located in Clairemont. Our school opened in 1977 as a total-school Spanish

Language Immersion Magnet. Our students come from all over San Diego. Approximately three percent are English learners

The majority of teachers are bilingual in Spanish and English. Spanish is the only language of instruction from kindergarten through 1st grade, with 2nd graders receiving 90 minutes of English weekly. English is formally introduced in 3rd grade. We continue our efforts to implement strong literacy and math instruction.

We are very proud of our community of learners made up of outstanding students, an expert and dedicated staff of caring teachers, and active and involved parents. Our extremely

active PTA contributes greatly through a variety of events throughout the school year. These include family dinner nights, math and science nights, art show and spring carnival.

Our program offers many opportunities for students to participate in, such as our paper and plastic recycling program, campus garden, Dia de los Muertos festival and multicultural festival.

Longfellow School welcomes and appreciates our many parent and community volunteers. Our students benefit from partnerships with Mission Valley YMCA, WalMart and Mi Enlace-Union Tribune.

Longfellow Elementary claims a famous alum. Jim Morrison, of the rock group The Doors, graduated from our school before it became a magnet school. He served as ASB President.
