Description

Hickman is a California Distinguished School. We are known as the Hickman Hawks. We promote academic excellence to empower and prepare students for success in a global, competitive society. Our goal is to ensure all students reach their academic and social potential.

We are committed to engaging parents as partners in education. Hickman is a warm family atmosphere, with a highly qualified and dedicated staff. We provide a challenging balanced curriculum with an emphasis on music. Music or chorus classes are conducted for 50 minutes per week. Students can participate in band and orchestra. Our school presents a major theatrical production annually. Past performances include Cinderella, Beauty and the Beast and The Wiz.

Hickman is one of two schools to offer a developmental kindergarten class designed for children who would benefit from two years of a

kindergarten program. The Primary Extended Program (PEP) allows extra time for development of self-confidence, emotional, social, physical, language, cognitive readiness and maturity necessary for maximum academic achievement.

Hickman received an EMHI Program grant for K-3 students who experience mild to moderate school adjustment difficulties, or, who display shy, withdrawn behaviors.

Our GATE program is second to none. GATE 5th graders participate in overnight trips to a sea-going floating classroom aboard the Californian to learn about mariners. Students also spend the night at Riley's Farm to experience Revolutionary War days.

Hickman embraces and celebrates cultural diversity with our annual Cultural Fair. Participants bring artifacts from their countries, share ancestral foods and wear native dress.
