Description

McKinley Elementary was named for William McKinley, our 25th President. We are located in historic North Park, surrounded by single-family houses, rental properties, and small businesses. Many of our students' families have resided in the area for years. Our school reflects the neighborhood's ethnic diversity and rich cultural heritage.

Students are prepared to meet future challenges by a nurturing environment, well-balanced curriculum and access to a broad range of educational experiences. A candidate for the International Baccalaureate Program for the Primary Years, we are applying for full authorization in June 2009.

We are committed to strengthening our instructional programs. Our highly qualified staff continues to refine teaching practices through professional development. Teachers regularly meet and collaborate to share best practices, address diverse learning styles and

strategize to ensure progress and achievement of grade level standards.

Our learning community works together to prepare students to become productive members of society. We value, welcome and encourage our parents' and community involvement and engagement. Partnerships include Parent Teacher Club, McKinley School Foundation, Site Governance Team, San Diego National Bank, San Diego Community Arts Center, and UCSD. Active alumni hold annual reunions.

The PTC/Foundation works tirelessly sponsoring fundraising events to support ceramic classes, field trips, assemblies, music and other valuable programs. Dad's Club built planter boxes and donated soil and supplies to supplement our school garden grant. We are proud of the continued growth and improvement of McKinley Elementary as a neighborhood school with a rich tradition and an exciting future.
