- GATE
- Primetime
- Band and Orchestra
- Breakfast in the Classroom
- Character Education Program
- Extended day reading and math programs

## Description

Normal Heights Elementary is a 21st century state-of-the-art facility in the heart of Normal Heights, nestled between the University Heights and Kensington communities. We opened in September of 2006. Abundant technology opportunities, lushly landscaped grounds, and a stunning artistic design make our campus unique

Our guiding principles reflect the school community's beliefs about the role of our school, the education it provides, and the impact we want this school community to have on our children's lives. These principles are:

- \* We can make a difference by being compassionate.
- \* We can make a difference by setting a good example, modeling high expectations, and holding each other accountable.

\* We can make a difference by working together and treating each other as valued colleagues.

\* Technology has great potential to enhance our students' learning and to improve lives around the world.

\* We are a community/team, and everyone's ideas and contributions are valued.

\* We advocate for innovative instructional practices that are responsive to student needs.

\* We believe in solving problems and implementing solutions.

\* We advocate and teach character values and social responsibility.

\* We promote taking risks, investing in yourself, and celebrating successes.

\* We hold high expectations for all.
