## Description

Leif Ericson is known as the “extra effort” school. Our mission is to see all students succeed in the changing world of tomorrow and become lifelong learners.

Nestled in the ethnically and culturally diverse, densely populated Mira Mesa neighborhood, our student body represents 27 languages. Many students come from single-parent or two-working parent families; 42 percent have free or reduced price lunches.

Ericson offers a highly trained staff and faculty to serve all, from IEP through GATE. The entire teaching staff is BCLAD/CLAD or SB 1969 certified.

We provide intervention support for students at risk of not meeting grade-level standards through the development of a supportive Learning Contract. Additional support is given by push-in teachers, parent volunteers, and an

Early Literacy Support resource teacher as well as through intercession instructional programs and other means.

While we are proud of our academic work, we also make certain to provide for students’ social-emotional needs. Our Student Study Team made up of classroom teachers, District counselor, school nurse, school psychologist, resource specialists and administrator provide needed academic / behavioral / health interventions.

In 2002, we were recognized as a California Distinguished School. For the past three years, we have been a Title 1 Academic Award winner.

A spirit of collaboration and dedication pervades our "extra effort" school as teachers, parents, administrators and the community work together to maximize student learning.
