## Description

Sandburg Elementary is a beautiful neighborhood campus, located in the heart of Mira Mesa. Grounds are freshly painted and adorned with gardens and planters created and maintained by students, community, and staff. We take pride in our diversity. Approximately 30 different languages are spoken in our homes.

All are welcomed daily to classical and jazz music softly playing in the background. Character banners and P.A.W.S. (Positive Attitudes Will Succeed) Club motto displayed throughout center court serve as gentle reminders of our high standards of excellence and expectations. Monday morning assembly begins our week, celebrating and acknowledging academics, Tiger Pride and community support. We model Lifeskills and sing our school spirit song.

All teachers are certified to teach EL and are NCLB compliant. Our team includes GATE certified and National Board Certified teachers.

Support staff provide interventions through collaborative planning and implementation. Professional development addresses instructional needs and strategies to support state standards and academics.

Our effective Site Governance Team and SSC are composed of dedicated faculty and community members. Our PTA, Sandburg Foundation, and Dad's Club provide opportunities for collaborative support with financial assistance and student activities. Our 13-year partnership with the Marine Corps supports our healthy bodies campaign by providing physical training for our 5th graders.

Sandburg exemplifies excellence in education through the dedication and commitment of faculty and community. We continue to watch, guide, listen, and celebrate our students from the heart, expecting all to soar to their potential.
