## Description

The staff and parents of Pacific Beach Elementary work together to improve student achievement and enhance and enrich the learning environment for all students. Our active Parent Teacher Organization raised funds to hire a math resource teacher. Formal art lessons are provided by volunteer parents based on the Art Attack curriculum.

Together, we share popular events and activities that take place throughout the school year. These include Astronomy Night, Las Posadas and Cinco de Mayo festivals, Penguin Pride Night, Family Math Night, Family Art Night and a popular Variety Show.

We provide a rigorous curriculum to meet or exceed California standards and intensive staff development for our teachers. In addition to the

core curriculum, other important features of our educational environment include choral music instruction in grades K-5, instrumental music instruction in grades 4-5 and dance in K-1. Adding to the mix, Pacific Beach offers academic chess, Spanish, work in two gardens, safety patrol and the Missoula Children’s Theater.

Our school pursues advanced technology as a means of furthering our students’ education and opportunities. A Las Patronas grant enabled us to purchase 18 computers. We received a 2006-07 Technology Training Foundation of America Award.

Other recent accolades include the California Business for Excellence Foundation Honor Roll, 2006-07 and a Title 1 Award, 2006-07.
