Description

We at Perry work in collaboration with parents, staff and students to ensure that everyone contributes positively as members of our community. Our students are active participants in their own education. They are effective communicators, critical thinkers and responsible citizens. Students are expected to attend school daily, ready to learn.

Perry is located within Lincoln Military Housing in Paradise Hills. Although our school primarily serves military families, our population includes many students from the surrounding neighborhood. Perry's diversity provides an outstanding social environment in which children can learn from, play with and appreciate each other. Perry parents volunteer countless hours in the classroom, library, on the playground and in the school garden.

Perry is committed to providing all students with a first-class education. We strive to meet individual needs, supporting students as they strive to meet or exceed grade-level standards.

With a considerable Title 1 population, we have earned the Title 1 Academic Achievement Award for three consecutive years. Every student enjoys visual and performing arts instruction as well as P.E., health and nutrition programs.

All classrooms offer a comprehensive curriculum. Teachers plan engaging daily lessons. The primary focus is to offer a well-rounded, standards-based program that focuses on balanced literacy and making meaning of content areas. Our goal is to build a strong academic and social foundation, enabling all students to attain success and become lifelong learners.
