Description

Toler’s mission is to provide a caring and motivating learning environment by promoting creativity and excellence in academics and character education, which will prepare students to be productive and responsible citizens. Teachers support individual academic, social and emotional needs of students in an atmosphere of mutual respect. Much emphasis is put on teacher collaboration to maximize student success and to inform our instructional decisions.

Toler is special in many significant ways. Our grassroots character education and service learning opportunities have proven to bring out the best in our students. Students are aware of the importance of their choices, with attitude being perhaps the most important choice of all.

Our small size fosters a definite sense of belonging and community. Our PTA is very active in support of our goals and forms a wonderful partnership between home and school. Numerous volunteer opportunities and events bring families together to share in the joy of learning. Our high API reflects the hard work and support of the entire Toler community.

Toler’s principal received the 2007 Administrator’s Golden Mouse Award presented by the California Legislature Assembly. He and a Toler teacher received a Technology Hero Award. Another received a 2007 National Teacher of the Year Award. In 2006, Toler was recognized as Recycler of the Year. Students have been honored for their community service and character programs.
