Description

Torrey Pines Elementary is tucked at the end of a cul-de-sac overlooking the Pacific Ocean. Our school is within walking distance of the esteemed UCSD. Bordered on two sides by open space, our unique setting represents only a small part of the school's bold appeal. The magic is about what happens inside!

Our campus buzzes with energy, urgency and enthusiasm. Torrey Pines was honored as a California Distinguished School for 2008-2009.

A significant portion of the student population comes from families living outside the neighborhood who participate in Choice and VEEP. We value our economic, ethnic and educational diversity. Inspired by our many international students, parents instituted an annual language and culture fair.

We seek to motivate and challenge our special-needs, gifted and English learning students alike. Our teachers thrive in this challenging environment; their growth is sustained by continuing professional development.

Our foundation raises more than \$150,000 annually to fund art, physical education, computer literacy, choral music, library services and field trips. Parents oversee the foundation, help in classrooms, implement before and after school programming and spearhead a variety of fundraising events. The school community celebrates its successes in a monthly newsletter, at foundation meetings and during student assemblies.
