Description

Whitman Elementary is located in north Clairemont, in an area of single-family homes and apartments. We provide a safe, nurturing, artistic and academically challenging environment for our culturally diverse student population. More than one-third of our students speak a language other than English at home. Nearly two-thirds qualify for free or reduced-price meals. A large number of students attend through the CHOICE and VEEP programs.

Several individualized educational programs complement our well-rounded curriculum. These courses support our high achieving and underachieving students, English learners, deaf and hard of hearing students and those with special needs. We provide occupational and speech therapy, resource specialist and adaptive physical education programs.

Students enjoy amenities use of our library, counseling center and a teaching-and learning center. Students participate in enrichment activities such as a music program, choir, drama recess club, Andrea Montesano Art School, and after school clubs as well as an extended day program. We also have an on-site preschool. All programs improved our students' academic performance.

Our teachers maximize professional development strategies to the fullest extent. They aggressively implement the latest research-based teaching and learning strategies and techniques.

There are many opportunities for parents, families and community members to get involved in the education process and help students succeed. Our business community partnerships include Henry's, Mission Federal Credit Union and Torrey Pines Christian Church.
