FTE: 47.0
Per pupil allocation:
 \$9,358
Special Program Offerings

- IB Magnet
- Proposition MM renovation
- LEAF grant program
- Science Olympiad

Description

Roosevelt International is an International Baccalaureate (IB) Programme magnet school located at the northeast edge of Balboa Park. We continue refining our IB Programme to further the academic continuity with the IB Programme at the San Diego School of International Studies and with a Linking Education, Activity and Fitness (LEAF) grant.

We have four National Board Certified teachers and other award-winning faculty. All are dedicated to providing learning opportunities in a safe, positive environment to support every student. Technological resources include a multimedia lab, state-of-the-art word processing lab, AlphaSmart keyboards, laptop cart, video editing equipment and a mobile recording studio.

Our recently renovated library features a research lab and laptop cart. As part of a Proposition MM renovation, the school's

exterior has been painted and a new electronic marquee installed. We also secured funding to turf the P.E. field.

We work with urgency to improve student achievement in literacy and mathematics. Instructional support is provided by math and literacy administrators, staff developers, technology resource teacher, magnet resource teacher, lead teachers and a progressive administrative team.

Roosevelt is an involved school. We participate in an international festival, the challenging San Diego County Science Olympiad and other annual science events. Students, staff, parents and the community join together to enjoy a winter jamboree featuring student and staff performances. We offer workshops for parents to learn more about building relationships with teenagers and planning for college and careers.

Code	Program	Original Budget General Fund		
		All Resources Budget	Unrestricted Budget	Restricted Budget
