Description

Standley Middle School is located in University City. Our namesake is Admiral William H. Standley, who served as U.S. Chief of Naval Operations. 46 percent of our students are from local, single-family homes. Others attend through CHOICE, VEEP and PISC. A grassy beltway and the fields of Standley Recreation Center surround our campus. The school buildings circle a large quad area and the library/media center.

We are committed to being the best that we can be: academically, socially and personally. We promote an environment in which everyone counts, everyone cares and everyone delivers excellence through shared accountability, every day.

Personal responsibility is emphasized. Students and teachers are provided with a school planner listing our policies on discipline, honesty,

attendance and dress. Our school day includes an advisory period devoted to helping student's individual progress.

We offer a rigorous science curriculum, award-winning music program and a variety of electives, several of which are based on the latest technology. Our multiple-pronged intervention program supports student achievement with academic Saturday school, before- and after-school tutoring and several course-based programs.

We are fortunate to have very active family involvement. In addition to our supportive PTSA, our SSC and Site Governance Team provide shared decision-making to increase achievement. Partnerships include, EdUCate!, Cardinal Health, and Social Advocates for Youth.
