Description

James Madison High School is located in the Clairemont Mesa area. The community includes small businesses and high-density housing, consisting mainly of apartments, condominiums and single-family tract houses. Our 50-acre campus opened in 1962

Madison is making a difference for all students. We are the smallest comprehensive high school in the District, enabling us to provide a high level of personalization for every student.

Our instructional program is comprehensive, diversified, and focused on motivating students to do their best. A unified expectation is students who will be not only be college-bound, but college ready. We ensure all seniors have a post-high school plan for higher education, vocational training or Armed Forces service

We are one of 20 schools nationwide selected for the Advanced Placement Incentive Grant. Our small learning communities provide

students with a sense of family in the learning environment, while allowing students to complete core subjects and electives within a thematic context

Our full range of courses and support classes meet the needs of every student. Academic programs, extracurricular opportunities and grants support student achievement and ensure that students are equipped with the tools necessary for lifelong learning.

Madison's staff is outstanding! We are dedicated to guaranteeing that all students are successful. Our teachers, students, and programs have received citywide, statewide, national, and even worldwide recognition in the fields of robotics, AJROTC, performing arts, and athletics.

Partners include BioGen/IDEC, Jobing.com, National University, Rapid Transmissions, Point Loma Nazarene University, Mesa College, and the San Diego County Bar Association.
