Schedule: Traditional
Total Enrollment: 2,338
FTE: 95.7
Per pupil allocation:
 \$5,110
Special Program Offerings

- GATE
- AVID
- ROP
- AVIDAir Force JROTC

Description

High-achieving Scripps Ranch High School, located in a northern suburb of San Diego, was established in 1993. We offer a challenging learning environment supported by an exceptional staff. Faculty and administration consistently utilize current research and student data to improve programs and increase student achievement.

We have an established culture of success. Academically, our test scores place us among the top schools in San Diego and California. Our current API score is 820. Scripps Ranch has received District, state and national acclaim. We are recognized as a California Distinguished School, a National Blue Ribbon School and recently, a US News and World Report Silver Medal School.

As a leader of a comprehensive community educational partnership, Scripps Ranch creates a culture that supports quality instructional programs driven by continuous improvement

and innovation. This is measured by student progress and performance in a creative environment responsive to changing technologies. We believe that parents, students, staff and community are mutually responsible for success.

We recognize, support, respect and value excellence, individuality, diversity and creativity. We are committed to the intellectual achievement, emotional and social growth, and athletic and aesthetic development of each student to succeed as a contributing member of a democratic society.

AP and honors courses are held in most curriculum areas, including performing arts. College instructors teach on-campus college-level social studies and math courses.

The home of the Falcons, we field varsity-level championship teams in numerous typical and atypical sports.
