FTE: 33.5
Per pupil allocation:
 \$6,260
Special Program Offerings

- AVID
- VEEP
- CHOICE
- Band and Music Programs
- Technology
- Art

Description

Farb Middle School is located in the suburban community of Tierrasanta. "The island in the hills" is a community of single-family homes and the largest military housing development in San Diego.

Approximately half our students are from military families and half attend through the VEEP and Choice programs. Our school was built in 1978 and opened in 1979. Farb is celebrating our 30th anniversary this year.

We are proud to be the District's only all-AVID middle school. Students accept responsibility for their learning through development of organizational skills, collaboration with peers, and participation in strategies to acquire deeper knowledge and understanding.

The focus of learning is our AVID program and the college-going culture at our school. Trained teachers incorporate specific AVID strategies into their curriculum to support all students

with exemplary standards-based instruction. We met all AYP requirements for student progress during the 2007-2008 school year.

All campus activities are focused on success, and the road to college and beyond. Our school is home to an award-winning band and music program and includes courses in beginning band, advanced band, orchestra, and all levels of chorus.

Families support the school and participate in numerous activities. Partnerships include military supports and organizations such as Fleet and Family Services, Healthy Start, and Space and Naval Warfare (SPAWAR) and AXA Financial Advisors.

World-renowned skateboarder Tony Hawk attended Farb Middle School. He will be recognized this year by ESPN in a special program entitled Homecoming, which will be filmed here at Farb!
