Description

The School of Law and Business is centrally located in City Heights on the Crawford Educational Complex campus. The high school complex, built in 1957, was converted in 2004 into four autonomous, career theme high schools.

The diverse neighborhood enhances the cultural and social richness of our school. Along the main streets there are small family run businesses and sole proprietorships.

Our theme is Law and Business. We prepare students with the necessary skills for success in the legal, law enforcement, and business communities. We embrace and maintain the RICHER (Responsibility, Integrity, Courage, Honesty, Effort, and Respect) values.

Students are challenged with relative, demanding programs and will graduate with an emphasis on knowledge in legal, law

enforcement, and business contents. We prepare our students to attend a college or university. Students receive post-secondary/college counseling during advisory.

We encourage students to investigate careers to observe how content taught in school is applied and utilized in a workplace. We offer many opportunities for real-world experiences such as field trips, job shadows, internships and college tours.

Our many distinctions include the street law program, mock trial competition and Teen Court participation. We are proud of our outstanding staff and students who have been awarded Outstanding Math Educator for the Greater San Diego Math Council 2008, County of San Diego Registrar of Voters Volunteer of the Year 2008 and nominee for the San Diego County Office of Education IVIE Film Awards 2008.
