

Matching GIFTS

Does the Company You Work for Have a Matching Gift Program?

This year we are making an extra effort to get matching donations from employers. As a 501(c)3 non-profit organization, the De Portola Middle School Foundation qualifies for matching gifts, but to receive a matching donation, the appropriate forms must be completed and returned to the company.

- Many companies (both large and small) offer employee matching gift programs. This means that when an employee makes a donation to a non-profit organization, the corporation will match that donation with an equal (or greater) amount to the same group.
- Donors who work for companies with matching gift programs can *double the impact* of their donation by soliciting a matching gift from their employer.
- Please check with your employer to find out if they have a matching gift program to make your valuable contribution to the De Portola Middle School Foundation go even further! Our 501(c)3 number is 33-0636383.
- The following are just a few of the local companies that have matched donations to non-profit organizations in the past:

Goodrich Corporation
Northrop Grumman
Pfizer
Sony
Sun Microsystems
Qualcomm
Wells Fargo Bank
