

On Tuesday, March 25 the San Diego Unified School District's Board of Trustees voted to adopt the history textbooks recommended by the textbook adoption committees. The texts that were selected include: Brinkley's *American History: A Survey*, 12th Ed. (AP US History), *The Americans: Reconstruction to the 21st Century* (11th Grade US History), *A People and a Nation*, 8th Ed. (Honors US History), *The Earth and Its Peoples: A Global History*, 4th Ed. (AP World History), *Modern World History: Patterns and Interaction* (Modern World History and Geography). In addition to the textbook programs, the Board adopted wall maps for all of the courses listed above, as well as site licenses for all high schools to an online map service (Maps101 by Nystrom). The History/Social Studies Department will be contacting department chairs this spring to discuss the different components of the adoptions as well as possible professional development opportunities regarding the textbook programs. Thank you to the members of the adoption committees, who worked so diligently on a shortened timeline.
